

Cornelia Hotels Golf Spa

In 2002, Diler Holding leveraged its deep-rooted expertise across various sectors to step into the tourism industry, launching its first hotel investment and bringing the Cornelia Hotels Golf Spa brand to life in Belek, Antalya. Located 35 km from Antalya Airport and established on a total area of 1,480,000 m², the facilities comprise Cornelia Diamond Golf Resort & Spa, the 27-hole Cornelia Golf Club, Azure Villas by Cornelia with 33 exclusive villas, and the Cornelia Sports Center, which features 9 tennis courts, 1 padel court, and 3 FIFA-standard football fields. Together, they rank among the most comprehensive tourism investments in the region.

With its high-standard service approach, robust infrastructure, and extensive market portfolio, Cornelia Hotels Golf Spa strengthens its position year after year. The brand's international success is further validated by prestigious awards from platforms such as HolidayCheck, Tripadvisor, DerTour Red Star, Jet2Holidays, and Otelpuan.

Guided by sustainability principles in all its operations, Cornelia Hotels integrates its eco-friendly approach with quality and food safety standards. The property rigorously implements ISO-certified integrated management systems, prioritizing employee training within the Total Quality Management framework to enhance individual responsibility and aims to maintain guest satisfaction at the highest level.

Through its Food Safety Management System, Cornelia Hotels consistently upholds hygiene standards, prioritizing the health of guests and employees while ensuring sustainable, safe, and high-quality service.

Under its Energy Management System, which focuses on energy efficiency, the hotel prioritizes energy-efficient design, products, and services while continuously improving energy performance. Accordingly, necessary resources and information are provided to set, implement, and monitor energy targets.

Cornelia Hotels Golf Spa successfully reflects Diler Holding's sustainability vision in the tourism sector, continuing to deliver a guest experience that meets international standards.

Cornelia Diamond Golf Resort & Spa

One of Antalya's most distinguished hotels, Cornelia Diamond Golf Resort & Spa spans 200,000 m² and offers guests a blend of luxury and comfort across 14 different room types. The two-story Crassula Spa, covering 5,000 m², provides a serene atmosphere for relaxation and rejuvenation. With its all-inclusive concept and five à la carte restaurants serving flavors from world cuisines, every evening turns into a special gastronomic experience. The Cornie Kids' World, spread across 5,000 m², stands out as one of the features that make Cornelia the "best family hotel"—offering a rich variety of activities from play areas to workshops, ensuring children have endless fun while parents enjoy their vacation with peace of mind.

Azure Villas by Cornelia

Nestled between the azure hues of the Mediterranean and the lush greenery of Belek, Azure Villas by Cornelia offers an exclusive lifestyle with 33 private villas overlooking the golf course, set within 32,000 m² of pine forests. Each of the luxury pool villas is elegantly designed, featuring 26 two-bedroom and 7 three-bedroom villas to accommodate guests. The villas' pools use fresh seawater, and every detail is harmoniously integrated with nature. The private reception for Azure Villa guests and the dedicated Azure Restaurant, serving only this area, stand out with their personalized service approach. Azure Villas by Cornelia offers a unique living space that combines tranquility, comfort, and elegance.

Cornelia Golf Club

A must-visit destination for golf enthusiasts, Cornelia Golf Club spans 1,400,000 m² and offers an exclusive experience with its 27-hole championship course. Designed by world-renowned golf legend Sir Nick Faldo, this prestigious venue combines the elegance of golf with Belek's natural beauty, catering to players of all skill levels. The Cornelia Golf Academy, housed in the 4,800 m² clubhouse, provides professional coaching and state-of-the-art facilities, promising an unforgettable golf experience paired with Cornelia's signature hospitality.

Cornelia Sports Center

Cornelia Sports Center offers three professional football fields built to FIFA standards. Measuring 110 x 68 meters, each field is equipped with a four-pole lighting system and surrounded by an 800-meter running track, making it a preferred choice for professional football training camps. Our sports center also features a total of 9 tennis courts designed in compliance with International Tennis Federation (ITF) standards: 7 clay courts, 1 hard court, and 1 artificial grass court. In addition, for padel enthusiasts, we provide 1 padel court built in accordance with International Padel Federation (FIP) standards. All courts are equipped with a six-light professional lighting system, ensuring a comfortable playing experience for athletes and an enjoyable viewing environment for spectators. Around each court, there are indoor facilities, cafeterias, showers, restrooms, and tennis equipment (rackets, balls, etc.). Guests also have the opportunity to improve their skills through professional tennis and padel lessons offered by trainers from the Physical Education and Sports Academy's tennis specialization department. Cornelia Sports Center delivers a comprehensive infrastructure with comfortable social areas, equipment services, cafeterias, showers, and restrooms designed for both players and spectators. All courts are fitted with professional lighting systems, while rest areas provide a relaxed and enjoyable atmosphere. Furthermore, with the support of expert trainers, we enhance the development of athletes through professional tennis and padel training, helping them take their game to the next level.
